Extension: Form ID

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form ID (OMB Control No. 3235-0328; SEC File No. 270-291) is used by companies and other entities to apply for identification numbers and passwords used in conjunction with the EDGAR electronic filing system. The information provided on Form ID is essential to the security of the EDGAR system. Form ID is not a public document because it is used solely for the purpose of registering filers on the EDGAR system. Form ID must be filed every time a registrant or other person obtains or changes an identification number. Form ID is filed by individuals, companies or other for-profit organizations that are required to file electronically. We estimate approximately 48,493 registrants file Form ID and it takes approximately an estimated 0.15 hours per response for a total annual burden of 7,274 hours.

An agency may conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.
